This book is both for married men and for single men. I wrote this book because I have never seen anything like it in print. It's taken me many years of reading and application to master this material, and if I'd had such a book decades ago, it would have changed my sex life forever. This is a book specifically designed to make you a Very Special kind of lover -- the kind sought by ladies who know the difference between so-so sex and extraordinary sex. The chapter heads are as follows: - Important Basic Material - The Sexual Anatomy of Women - Concerning Stimulation and Ejaculation - Erotic Shaving - Lubes - Vibrators - Specialty Dildos - The Art and Science of Oral Sex with Women - Anilingus and Related Topics - Fingering Techniques - Now for the Mental Part - Wrap-up This book takes two separate approaches to the single goal of making you a Great Lover. The first approach is to discuss and explain a wide range of non-intercourse sexual techniques; the second approach
